

STONE CREEK CONDOMINIUM OWNERS' ASSOCIATION

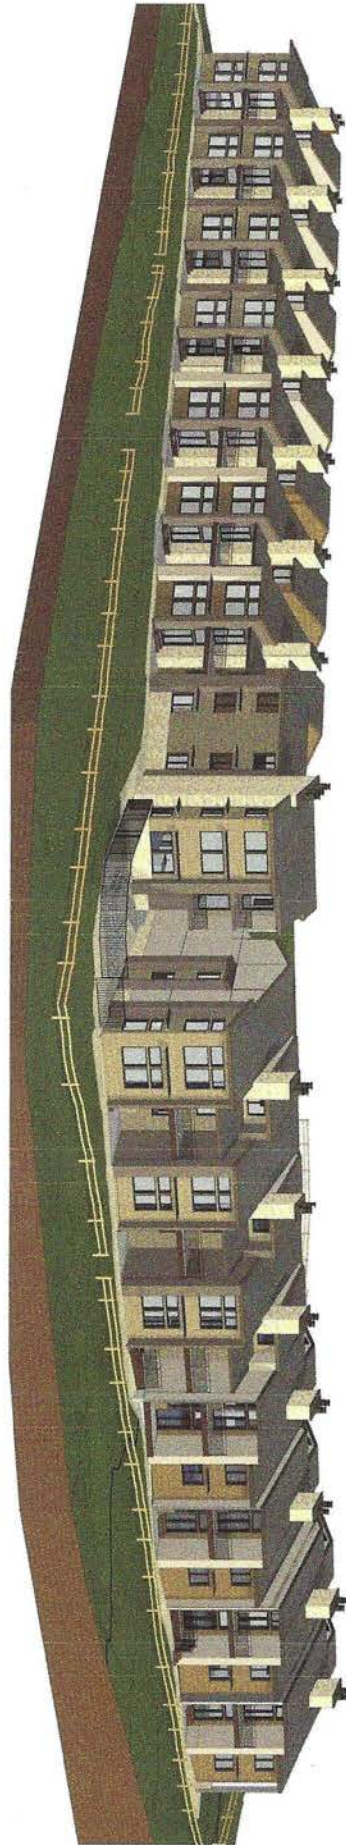

Planned Renovation of Building Exterior

Estimated Renovation Dates:

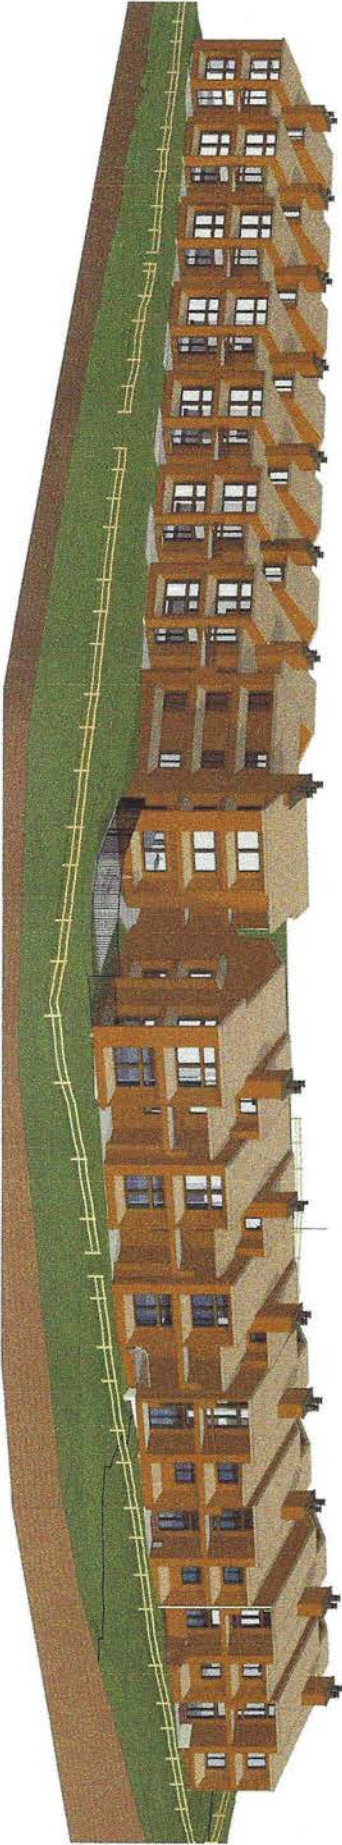

Start approximately: March, 2026

Planned completion: October, 2026

The illustration which follows is subject to change. Changes may be made for reasons that include Engineering, budget, materials supply and project labor requirements. Therefore, this document should be seen as the best estimate of the intended project output based on all information available to Stone Creek Condominium Owners Association Board of Directors on October 15, 2025. Project updates will be posted through Association meeting minutes as well as project plan updates.
